We, the participants in the EU Programmes seminar held in Athens on 12-16 November 2007 in the framework of the EuroMed Training of Public Administrations Programme of the European Commission, managed by the EuropeAid Cooperation Office, supported by the MEDA Programme in the context of the Euro-Mediterranean Policy, make the following declaration:

1. The various sessions were an opportunity to debate and gain a better insight into the general framework and objectives of the Barcelona Process and its financing programmes which are the basis for the projects we are managing or will manage.
2. We consider that the various sessions of the seminar were useful to enable us to improve our knowledge of the Project Cycle Management used by the European Commission.
3. The different presentations and workshops gave us the opportunity to better understand the different steps of the elaboration and development of projects and to exchange experiences and practices which will help us in the future to develop and manage such projects.

This training programme, which falls under component 2 of the Barcelona Declaration of November 1995 pursuing the establishment of an area of peace, security and shared prosperity in the Mediterranean Region, should contribute to achieving the said area.
